

Don't forget to read your Accelerated Reader Books and write three entries in the Reading Journal, practise your Weekly spelling words in time for your test and learn your times tables.

Imagine you've asked Edmund Hillary. Write a biography on Sir

- Write an explanation text on plate tectonics. Include diagrams, charts and graphs to support your evidence.
- As our host country is Iceland, research the climate, land formations and any recent natural disasters that have affected this country.

Knowledge Tasks:

- To make a model of the Earth showing the Earth's interior and the different layers.
- Create a map showing the world's major volcanoes, earthquakes and mountains.
- Investigate how plants grow in different environments; you could carry out your own mini investigation at home!

Skills Tasks:

- To make a model of a volcano.

Year 6 Home Learning is due to be completed and returned in your Purple Book by Monday 6th February 2017 Please remember that you should try to complete at least three pieces of Home Learning from the passport.

Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning and a comprehension activity in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
