

Don't forget to read your Accelerated Reader Books and write three entries in the Reading Journal, practise your Weekly spelling words in time for your test on Thursday and learn your times tables.

- Skills Tasks:
- Create a model volcano or volcanic island
  - Draw or trace a map of a country where earthquakes and/or active volcanoes occur. Plot on the locations and label them with any further information.
  - Research a recent Earthquake, create a fact file on the natural disaster (including Richter Scale, casualties and any subsequent effects e.g. tsunamis)

- Knowledge Tasks:
- Create a crossword using vocabulary from our topic Planet.
  - Imagine you are a child fleeing from Pompeii after a volcanic explosion, write a story opening describing what is happening.
  - Create an explanation text which tells your parents about volcanoes.

Year 4 Home Learning is due to be completed and returned in your Purple Book by Monday 6th February 2017. Please remember that you should try to complete at least three pieces of Home Learning from the passport.

### Home Learning at Grazebrook

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for English and IPC. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These can be completed in your purple book or, if they are a model or project, they can be completed separately. These pieces can be handed to the teacher any time before the date given inside the booklet. Each Friday, class teachers will give Mathematics home learning in your book. This will reflect on the work you have been completing in class. This should be completed in your purple book and returned for marking by Wednesday of the following week.
